EEMC open charity evening

Slightly later than originally intended, the Club held a charity open evening on 24th January at Whaplode Manor which was attended by about 50 people.

The evening featured a talk by John Lyon on High Performance Driving who gave an account of his experiences over 45 years as a high performance and police driving instructor, a job which he continues to do today. Club President Robert Oldershaw gave a vote of thanks to John.

A charity raffle was also held with some generously donated prizes from a number of motoring and motorsport related companies including IMG/Subaru UK, Renault, Kuhmo Tyres, VX Racing and SEAT Sport. Thanks are due to Bob & Carole Offer and Dave & June Pollard for their strenuous efforts at the *Autosport* show to secure these and other donations.

The raffle raised money for our two 2006 charities, Lincolnshire Integrated Voluntary Emergency Services (LIVES) and Macmillan Cancer Support. The two charities were the nominated beneficiaries of our very successful Classic Car Run held back in September, and many entrants from the Run were present to witness the donations.
