June event rained off

We were beaten in the end as last month's gymkhana, having first been postponed for a week due to the unseasonably wet weather, then had to be cancelled due to the even more unseasonably wet weather that followed...

Also a casualty was the presentation of last year's trophies so this has been carried forward to this month's event.

Apologies for the lack of a *Romer* in June - this was due to work commitments and other event organisation duties. Some of the content has been carried forward to this edition - Ed.
