From the editor

Apologies for the non-appearance of *The Romer* over the past few weeks. The task of editor and my workload have not been very compatible of late and it is probably something worthy of discussion at the AGM. Any volunteers out there for the job?

Gymkhana: 12 September

For the first time in a long while, a warm sunny evening greeted us for this extra gymkhana added to the calendar because of earlier cancellations. But, due to the latest foot and mouth outbreak, the event had to be held entirely within the yard at Robert Oldershaw's farm. This meant Tests 1 & 4 were cancelled because of the limitations of the yard compared with the field.

Test 2 was a slalom with a reverse between farm machinery and a cone. This certainly concentrated the mind, as the machinery doesn't move like a cone! I managed a best time of 28 seconds with Paul Pollard on 31.

Test 3 was five cones, 4 in a square and one in the middle. The concrete had varying amounts of grip; one corner had virtually no grip but another had lots where the handbrake struggled to pull the car around. Fastest on this one was Ian Pollard on 25 secs.

Test 5 was slalom again with an added cone to reverse around. Ian set a best time of 28 seconds.

Test 6 was using the same cones and area as Test 3 with a slightly modified course. Once again, Ian set the best time of 20 seconds.

Many thanks to the organisers and marshals: Dave, June, Bob, Carole, Simon plus Andy and his enthusiastic helpers.

Cheers,

Gary White
