Clubnight Gymkhana

Wednesday 17 June

A small but perfectly-formed field of competitors turned out for the gymkhana last month, watched by the usual enthusiastic bovine crowd. Pitch invasions were kept to a minimum by the valiant efforts of the ever-smiling James. The weather could have been better, especially for the timekeepers, but it would be hard to beat the dramatic sunset as we finished.

You can see from the results table that Paul came 6th, hindered by inferior navigating from his passenger (me!). Craig had a better class of passenger finishing next with Rachel just beating him to 4th position. Paul gallantly helped me into 3rd place with Ian and Adam coming second. Congratulations to James and Rachel, their first entry into the gymkhana resulting in first place.

Thanks to Ian for organising the event and to Jean for meticulous timekeeping. Thanks also to Sara and Robert Oldershaw for allowing us to use their field.
