September clubnight run

There was a good turnout once again for this clubnight run – our last of the year – held in Norfolk. Several cars took the opportunity to gather in Long Sutton and travel east in convoy to the start at Watlington Village Hall; locals like Neil & Pamela Williams and John & Pauline Read were able to take advantage of a much shorter drive before beginning an event for a change.

The weather was chilly but dry which meant that we softies could drive with our tops off as we set off round the tour which Paul Haylock had put together for us.

We headed south in general terms to start with through Magdalen and Stowbridge, then to Wimbotsham before we reached Downham Market. From here, we cut through Denver before heading east to West Dereham and then across to Wereham, passing close to the sugar beet factory at Wissington.

From Wereham, we were taken via some of the narrowest roads on the run north again passing close to Boughton before we reached the final part of the route through Barton Bendish and finally west on the A1122 through Fincham.

This brought us to Stradsett and the finish of the run at the Foldgate Inn where some excellent food had been laid on.

It was nice to see some new faces including Charles & Celine Cornish who journeyed all the way from Gosberton in their MGB. Bad luck on Barry & Liz Aistrup whose TR4 developed an alternator problem requiring them to head for home early (and to find further assistance later to complete the journey when the electrics expired altogether on the A47)

Thanks to Paul, Helen & helpers for all their hard work in putting things together for us and to everyone who made their efforts worthwhile.

Moulton Show

Special thanks to Steve Saunders and Liz Bollons for putting together the classic car part of this Show held on 2nd September, taking over the role performed by Jeremy Satherley in previous years. The weather was kind which made the event flow well and, from a Club perspective, we had a good turnout and lots of support – thanks to everyone who brought their car out or came along to marshal. Thanks also to Chris Carter for his contribution as MC.
